

DANIEL: You must be called by God to seek His face before you can see Him.

THOMAS: From the scriptures that you showed me, both God's people and David were called by God to seek His face. Is that all?

DANIEL: There are two more that I know of.

THOMAS: Who?

DANIEL: Daniel had a vision where he saw God's face. *He said to me, "For 2,300 evenings and mornings; then the holy place will be properly restored."*<sup>1</sup>

THOMAS: If evenings and mornings are God's face, what's the number 2300 mean?

DANIEL: 2300 evenings and mornings are about 77 months. Yes, this is the same number as the 77 in Job, the 77 in the wall of Jericho, and the 77 generations of Jesus.

THOMAS: Wait a minute. You compared only one 77 from Daniel's vision to the previous 77 77 77 numbers of Job, Jericho, and Jesus. A single 77 is not the same as three sets of 77.

DANIEL: Ok. I have no choice, but to list these numbers in Daniel:

Dan 8:14 2300 evenings and mornings is 77 months

Dan 9:24 *seventy weeks* (70 x 7) or 77 *make an end of sin*

Dan 9:25 *seven weeks* (7 x 7) or 77 *until Messiah*

Dan 10:2 *three entire weeks* or (7+7+7) or 777 *understood vision*

Dan 10:3 *three entire weeks* or (7+7+7) or 777 *fasted*

Dan 10:13 *twenty-one days* or (7+7+7) or 777 *prince of kingdom*

The 77 77 77 number set are the generations of the Son of Man's Genealogy.<sup>2</sup> The 777 777 777 number set are the same numbers in the Son of God's genealogy.<sup>3</sup>
